UEMS-EACCME® CME:

An application has been made to the UEMS EACCME® for CME accreditation of this event.

The virtual meeting has been granted **1 European CME credits (ECMEC®s)** by the European Accreditation Council for Continuing Medical Education (EACCME®) for each live session.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

Each participant can only receive the number of credits he/she is entitled to according to his/her actual participation at the event once he/she has completed the feedback form.

The feedback form will be submitted at the end of each live streaming. Accreditation certificate will be uploaded in your personal area if the presence required by law is reached.

ITALIAN CME ON LINE:

As a standard provider registered with the Age.n.a.s. Register (ID 246) as follows:

Profession: **PHYSICIAN**
Discipline: **Psychiatry, Psychotherapy**

Profession: **PSYCHOLOGIST**
Discipline: **Psychiatry, Psychotherapy**

For the attribution of Italian CME credits it will be necessary to:

- Take part in at least 90% of live scientific session.
- Correctly answer at least 75% of the questions of the CME questionnaire.
- Complete the perceived quality assessment questionnaire.

At the end of each session, an e-mail will be sent with the link to access the CME-ON LINE website.

The presence, required by CME regulation, will be tracked during each live session calculating the connection time.

At the end of each session, if the presence is confirmed, it will be possible to download the certificate of participation directly from the CME-ON LINE website.

The CME certificate will be sent within 90 days of the end of the single date, if eligible.

EDUCATIONAL OBJECTIVE: Clinical documentation. Clinical-care diagnostic and rehabilitation pathways, profiles care

CREDITS: Each day of the scientific program is accredited individually. **1,5 credits** have been assigned for each session.

The official language of the meeting is **ENGLISH**. A simultaneous translation will be available for the following languages: Italian, Polish, Russian, Spanish

ONLINE REGISTRATION:

To join the webinar please register to this **LINK** or scan the QR CODE.

Registration is **FREE** of charge.
Registration allows participation in all 4 scheduled days.

Registrations are open until
September, 10th 2021
